[Click Here For Unlimited Access Pass Prices](#) We have decided to partially hire out our family holiday home for various dates in 2010. We use the caravan for ourselves and our children and our family to enjoy their time at Flamingo Land which gives every one enough time to visit everything! We do take great care in ensuring our caravans are kept clean and tidy especially when we take our children and try to make it a clean and safe environment. The caravan is a spacious 35 ft x 12 ft, 3 bedroomed caravan. The caravan number is A121 and is based on the popular Willow Grove near the 'A' field. This is very close to all the amenities including swimming pool, laundrette, supermarket, reception and the Theme Park but to mention a few. The larger style living room is a perfect resting place for families after a day around the Theme Park and Zoo. There is a TV with built in free view and DVD player, a cd player with CD's and DVDs available. There is also books for those who like to read. The kitchen is a modern area with an oven, fridge with freezer box, microwave, kettle, toaster etc. There is plenty of cupboard space for your groceries. There is also a fire extinguisher, a fire blanket and first aid kit, smoke alarm and carbon monoxide detector for safety which must not be removed from the caravan. There is a separate shower room with shower and hand basin and heated towel rail and extractor fan plus a separate toilet with hand basin and extractor fan. The caravan has 3 bedrooms. The double room includes a wardrobe and vanity table. Also in that room is the iron/ironing board and Hoover. The twin rooms have a wardrobe and mirror and all rooms have plinth heaters. All rooms have a good amount of overhead storage. We have also included our own heater which helps take the chill off those cold mornings. The caravan has 2 entrance doors, but we have decided to only use the entrance which leads through the passage, as this would help keep the living area clean for those who have toddlers who may not be walking yet. Please take a look at the photographs and I am sure you will agree that this caravan would be a great place to stay during your visit to Flamingo Land. If you would like a quote please email me or call me and mention it is A121. Flamingoland passes are not included in the price given. Duvets and pillows are provided, but guests need to bring their own bed linen and towels, or they can be hired from the hire shop.
